

Dear Dr. Warren Danziger,
Thank you so much for awarding me the Jerry Rabinowitz Memorial Scholarship. I am the first in my family to attend college, so this opportunity is particularly meaningful to me. It will aid me in my endeavors as I will be attending the University of Virginia as a biology major on the pre-med track. I hope to attend medical school in the future to become a doctor. Hearing about Dr. Jerry Rabinowitz's story was very inspirational, and I aspire to be even half as brave, kind, and compassionate a person he was. It is truly an honor to receive this award in the name of such an incredible individual. Once again, I extend my deepest gratitude for your generosity.

Sincerely,
Lisa Mayer sky
